

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Antimicrobials Division (7510P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

90344-1

Date of Issuance:

5/27/15

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

PolyLaurin™ 120

Name and Address of Registrant (include ZIP Code):

Catherine McPhail
 Copperhead Chemical Company
 120 River Road
 Tamaqua, PA 18252

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Jacqueline Hardy, Product Manager (Team 34)
 Regulatory Management Branch 2, Antimicrobials Division

Date:

5/27/15

2. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 08/05/2014

If you have any questions, please contact Jacqueline Hardy by phone at 703-308-6416, or via email at hardy.jacqueline@epa.gov.

Sincerely,

Jacqueline Hardy, Product Manager (Team 34)
Regulatory Management Branch II
Antimicrobials Division (7510P)

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

Caution. Causes moderate eye and skin irritation. Avoid contact with eyes, skin or clothing. Wear safety glasses and protective gloves and clothing. If splashes are likely to occur, wear goggles or face shield. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARD

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR NON-FOOD CONTACT USES ONLY. PolyLaurin™ 120 is a material preservative additive for use in the preservation of products including paints, coatings, adhesives, film forming agents, cleaning, and industrial products.

TYPES OF PRODUCTS

Industrial products such as oils, lubricants, solvents, and other fluids, non-potable/non-food water systems. Cleaning products and Industrial and Institution products such as detergents, cleansers, and surfactant systems. Paints, coatings, adhesives and film forming agents of oil or aqueous base.

APPLICATIONS

Use concentration ranges from 1.5% to 25% by weight of PolyLaurin™ 120 depending on the matrix being preserved, the normal handling of the product, and product function.

Specific manufacturing directions for a given application will be provided by consultation with Copperhead Chemical Company Inc.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage:

Store product in a cool, dry area out of direct sunlight. Store in original container only. Product is hygroscopic, keep container tightly closed when not in use.

Product Disposal:

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling:

Nonrefillable container. Do not reuse or refill this container. Completely empty container. Then offer for recycling if available or puncture and dispose of in trash or in a sanitary landfill or by incineration. Do not burn unless allowed by state and local ordinances.
